## SUMMARY SHEET

### Audit of medical practice (CQI activity)

Topic:

Reviewing the use of antipsychotic medicines in older people

Activity designed by (name of organisation, if relevant):

Bpac<sup>nz</sup>

Doctor's name:

Results discussed with peer group or colleagues?

Yes

No

Date:

### FIRST CYCLE

**DATA:** Date of data collection:

**CHECK:** Describe any areas targeted for improvement as a result of analysing the data collected.

**ACTION:** Describe how these improvements will be implemented.

**MONITOR:** Describe how well the process is working. When will you undertake a second cycle?

## SECOND CYCLE

**DATA:** Date of data collection:

**CHECK:** Describe any areas targeted for improvement as a result of analysing the data collected.

**ACTION:** Describe how these improvements will be implemented.

**MONITOR:** Describe how well the process is working.

**COMMENTS:**
