# Registration for activation of BPACNZRx

All practices looking to adopt the BPACNZRx New Zealand Formulary Integration as an alternative to the MIMS drug formulary are required to register for the service before activation within Medtech Evolution.

Practices are requested to **contact BPAC directly on 0800 633 236 or email [contact@bpacnzrx.org](mailto:contact@bpacnzrx.org)** to complete the registration process.

The practice's **HPI Organisation Id will be required** as part of the registration process along with details of the number of prescribing PMS users and enrolled patients, and administrator contact details.

Once registration has been completed with BPAC, practices can complete the activation process of BPACNZRx within the Medtech Evolution application.

## **Important Note – De-activation of MIMS**

**It is the responsibility of a practice when activating BPACNZRx within Medtech Evolution to advise MIMS that the practice will no longer be a MIMS Subscriber. From this point the Practice will not be advised of any future MIMS monthly drug updates.**

BPAC will notify customers when the monthly drug update is available.
